Here is what I have right now. Was planning on spending this afternoon on it.

I will try and get some nice photos on Monday for it as well.

If you have any feedback, let me know. I'm going to go and work from campus for the afternoon. If you want to talk, I'll have my cell.

Thanks,

Definitely send what you have by today. I have a feeling that I'm going to have to go through a bunch of iterations on this talk. I don't want you wasting too much time on it.

Sorry!

Just had a quick question on the talk. Not urgent.
